KS2 Experience Harvest

KS2 classes visited St Alban's Church this week to learn more about Harvest and where our food, clothes etc come from. Pupils considered Harvest of the Earth, Sea, Garden, Grain and Flock. The sessions were very well-organised by volunteers at the church and we are very grateful to them for inviting us along.

Thank you to everyone who donated to the Food Bank.

Parent Volunteers

We welcome parent support in school and occasionally have walks, events, trips etc that we need extra adults to help with. Also we welcome parents in to help in class at certain times e.g. to read books with children or to share a skill such as cooking, sewing etc. For more regular volunteering we base parents in a different class to their own child. If you would like to volunteer for anything in school please let your child's class teacher know in the first instance.
