

EASTFIELD ACADEMY NEWS

Thursday 13th July 2017

Attendance

Reception were our attendance winners last week. Well done!

Good as Gold

Our individual winners were Jadia now in Year 7, Deivids now in Year 3, Bilan and Annie both now in Year 2. Congratulations on your great behaviour.

Enrichment

This year Eastfield Academy has spent **£7,215.00** on enrichment activities for our children. The only financial contributions we have asked parents to make were for the Outward Bound Residential and to purchase subsidised tickets for the Royal & Derngate performance. In addition to this spend we have also provided lunchtime and after school clubs covering areas including multi-sports, specialist excellence sports coaching, chess, dance, cookery, rounders, gardening, bug club, cricket, homework, cycling, running, debating, art, paper-craft, reading, Top Trumps, snakes & ladders, mindfulness colouring, knitting, sewing, choir, guitar and piano!

A HUGE THANK-YOU to Chris Richie!!!!

Amanda Richie, one of our Trust Governors, informed us yesterday that her husband, Chris Richie, has raised an amazing **£2204.47** taking part in a 12 hour 171 mile cycle with David Ross. This is being donated to Eastfield Academy's Just Giving Total for the DRET Inspiration Fund to go towards enrichment opportunities for our children. We are all hugely grateful for his fundraising efforts.

DRET Inspiration Fund Just Giving page

A reminder of our fundraising efforts for the DRET Inspiration Fund. Eastfield Academy has set up a Just Giving donation page. This will allow you to give Gift Aid on any donations made.

New Reception class

It was lovely to meet all our new Reception children and parents this week at our new intake morning. We hope the children are all excited about joining our 'Big School' in September!

E-safety

Thank-you to the parents who attended Mr Crick's e-safety drop-in session last Tuesday.

Parents should be monitoring their child's online activities and be aware that most social media apps have an age restriction of at least 13 years old.

As this is the final newsletter for this academic year we would like to take the opportunity to say thank-you for all the help and support you have given your children and the school over the past year. We hope all our amazing children and families have a wonderful summer break and we look forward to seeing you all eager to learn on Monday 4th September.

Eastfield, St Alban's Close, Northampton, NN3 2RJ
