Enrichment

The children and staff in attendance at the DRET Summer Cup this year had a fantastic day of sport in the sunshine of Grantham. Eastfield Academy vastly improved in sports hall athletics and came 2nd in the relay race. A great day was had by all.

E-safety

We are concerned that some children are using the social media app, Snap chat and may not be aware of the location update. Now anyone can see their location if they click on the map. If your child is using Snap chat please make sure you change the location settings to keep them safe. Parents should be monitoring their child's online and be aware that most social media apps have an age restriction of at least 13 years old.

Mr Crick will be holding an e-safety drop-in session on Tuesday 11th July from 8:40 am to 9:00am to discuss how to keep your children safe online over the summer.

After school activity clubs

From Monday 11th July there will be no after school activity clubs, please make sure you collect your children at normal time. The paid for after school club will still be running. Please book and pay for your sessions on Parentpay.

Parentpay reminder

From September 2017 we will be a cashless school office. Please make sure you book and pay for all your school related activities via your personal Parentpay account. This includes all school lunches (including all free school meal choices), breakfast club, after school club, school trips, music lessons and nursery fees.
