

What can you do at home?

- ✓ Practice writing simple sentences.
- ✓ Read an increasing range of books, talk with others about what you have read.
- ✓ Learn the names of 2D and 3D shapes.

Welcome to Reception

Choices and Changes

Don't forget to show us your learning at home on Tapestry! We love to see what exciting things you get up to.

Find us on Class Dojo!

Check out our website:

Talk For Writing

We will be retelling our story 'The Queen's Hat', focusing on story language and exploring the meaning of new vocabulary. We will be sequencing the story, retelling and writing our own stories.

Maths

We will be focussing on 2D and 3D shapes, time, money and patterns in number sequences. Children will be learning about estimation and accurate object counting.

Read Write Inc

We will be focussing on developing our reading and writing skills and continue to revise the phonic sounds previously learnt. We will be playing lots of phonic games and engaging in interactive partner work.

Let's Investigate and Choices and Changes

Physical Development

We will be working on building strength in our fingers by handling tools, objects, construction and malleable materials safely and with increasing control. We will be decorating crowns and working on scissor control.

Understanding of the World

We will be learning about the role of the Prime Minister and the school council. Children will be learning about the voting process and will develop a wider vocabulary.

Communication and Language

We will be encouraging children to talk in full sentences, develop their own narratives and explanations by connecting ideas or events. Children will be talking and listening to others during partner talk and in small groups.
